## NOTIFICATION OF ERROR IN ENTITY STATUS

Sir:

Small entity status was claimed in good faith and without deceptive intent for payment of U.S. Patent and Trademark Office filing fees in connection with the above-referenced application, based on the non-profit status of the assignee, Florida Atlantic University. However, it has recently come to our attention that one of the inventors is an employee of the United States Navy and that the application was also assigned to The United States of America as Represented by the Secretary of the Navy. Our research shows that the

Manual of Patent Examination and Procedure (MPEP) Section 509.02(VI) indicates that Federal agencies do not qualify as nonprofit organizations for paying reduced patent fees. Because the above-referenced application is jointly owned by the Navy, we do not believe that the above-identified patent application qualifies for small entity status.

In accordance with 37 C.F.R. § 1.28(c)(2), attached hereto as Appendix A is listing of the small entity fees previously paid and the deficiency owed, resulting from the erroneous payment of small entity fees.

The Commissioner is hereby authorized to charge the fee of \$1471.00 for the total deficiency amount owed pursuant to 37 C.F.R. § 1.28(c)(2)(ii)(C), any fee deficiency, or credit any overpayment, to Deposit Account No. 50-0951.

Respectfully submitted,
